

Euroa Health

## MEDIA RELEASE

24 June 2016

### GENEROSITY PERSONIFIED

Locals Geoff and Beryl Webster have generously donated a Holden Rodeo to Euroa Health.

“Our children nudged us along with a decision to give up our caravan trips, so we no longer had the need for the vehicle” said Geoff. Beryl is a past President and life member of Euroa Health, and they decided to let Euroa Health decide how best to allocate the proceeds from the sale of the vehicle.

With the assistance of the Bowerbird Op Shop, transaction costs involved in selling the vehicle were minimised. The Bowerbird Committee derived a price based on ‘red book’ value, and sold the vehicle to Scott Chamberlain from Wallan. “It’s great – I couldn’t be happier” said Mr. Chamberlain.

Chief Executive Officer at Euroa Health, Wayne Sullivan, was bowled over by the donation. “This is a very generous gesture” said Mr. Sullivan. “I have been told about the commitment of Geoff and Beryl to Euroa, and specifically Beryl’s many years of service to Euroa Health. It is this kind of generosity that drives us to excel, and I thank them very much” he said.
