OUTSTANDING FUNDRAISER

Almost \$2,000 was raised by the Uniting Church “Welcome to Winter” luncheon held recently to support the Euroa Health Building Appeal.

Seventy people came through the doors to enjoy a warm meal, meet Euroa Health’s new CEO Mr. Wayne Sullivan, and hear about the building project.

“Patrons were greeted with a sea of colourful umbrellas as they arrived” said member of the organising team, Mrs Robyn Burke. “The lucky ticket winners had a great range of prizes to choose from thanks to the generosity of many including Amcal Pharmacy” she said. As a community, we really are very good at looking after one another” said Mrs. Burke.
