## Membership Terms & Conditions

### Policy for Members

1. Should you have already paid for a Euroa Health Inc General Membership for the 2022/23 financial year we will deduct this from the membership payable
2. An induction and assessment by our Exercise Physiologist is required for all new members before you use the gym
3. Please fill in the Adult Pre-screening tool (also on our website) to give to the Exercise Physiologist upon your induction

### Access

Access to the gym is via a swipe card. Members are not be allowed to use the gym facilities unless they use their swipe card to gain entry to the gym. A fee of \$15.00 paid at the time of membership will be retained by Euroa Health for the issue of a replacement pass.

The swipe card is for your use only and must not be given to any other person to access the gym. In the event that this occurs, your membership will be cancelled immediately

### Hours of Operation

Monday – Friday: 6:00am-9:00am & 3:30pm-8:00pm

Weekends & Public Holidays: 6:00am – 8:00pm

*Please note the gym is closed during majority of the day when the EP is working with patients due to groups and needing access to multiple pieces of equipment at a time*

### Conduct and Behaviour

Management reserves the right to refuse entry, cancel a membership or request a member to leave the premises if the member does not behave in a responsible manner, is under the influence of drugs and/or alcohol or does not adhere to the general conditions of entry. No smoking or food is permitted in the facility.

The gym is not a place for competition – everyone varies in their capabilities. We urge you to respect others and make it a safe, comfortable and enjoyable environment in which each member can reach their potential at the pace professionally determined by the Exercise Physiologist

Please ensure you warm up before commencing your workout and cool down and stretch upon completion of your workout. Members using the gym, do so on the understanding that they believe that their state of health and physical condition is such that their wellbeing will not be unduly affected when using the equipment and apparatus.

Any concerns at any stage of your program should be brought to immediate attention of the Exercise Physiologist
