## Urgent Care Centre

Our Urgent Centre is open when your General Practitioner is closed and you need Medical & Nursing Care that cannot wait until your GP Practice reopens.

### When to present to our Urgent Care Centre

- Pain
- Earache
- Common cold, flu, cough or fever
- Cuts, scrapes or lacerations
- Allergies and rash (with or without a fever)
- Mild asthma or croup
- Sprains and strains
- Sore throat
- Urinary Tract Infection
- Nausea, vomiting and diarrhoea
- Support with chronic health care as needed

### COST

- **\$60** payable to Euroa Health on the day (eftpos available) and **50% off for Euroa Health Inc. members \$30**

### AND

- **\$50** billed separately at the discretion of the Euroa Medical on-call Doctor.

### When to call 000

- Any shortness of breath or difficulty breathing
- Any symptoms of a heart attack including chest pain in the left arm or jaw, sudden weakness or dizziness
- Signs of a stroke such as numbness, slurred speech, severe headache, weakness on one side of the face or loss of consciousness
- Life or limb threatening injury

**Euroa Health's Urgent Care Centre DOES NOT HAVE XRAY facilities at this time, so should you have a suspected fracture please present to a local Emergency Department.**

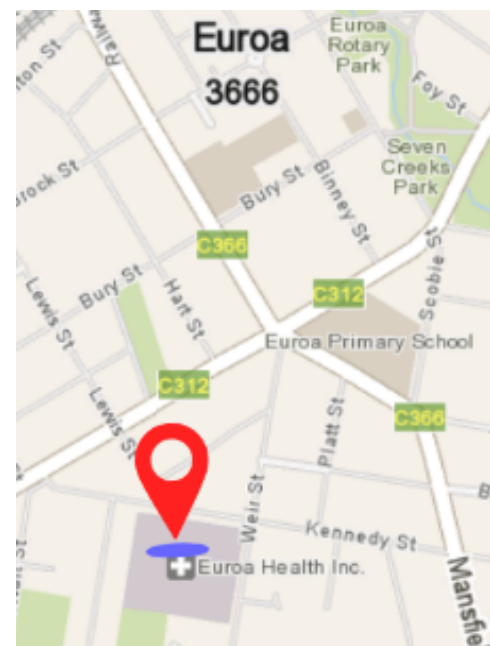

**We will** assist you in any medical situation which can include stabilising you or your family members medical condition and assisting with arranging Emergency Transfer to a larger Emergency Department via Ambulance.

### WHO PROVIDES MEDICAL CARE?

Care is provided by Nurses and on call Doctors.

**Advice can not be given by telephone, please attend our Urgent Care Centre for assistance**

**Euroa Health Inc, Urgent Care Centre,  
36 Kennedy Street Euroa (see map above)**
